

## Interstate 17 Construction Update

October 30, 2008

Northbound I-17 closed at Happy Valley Road Monday night

[\(Listen to an audio report of upcoming work\)](#)

### ***Upcoming Restrictions***

Several closures and restrictions are planned on Interstate 17 and Loop 101 for construction of improvements. Please see the complete list of restrictions below for information about restriction dates, times and alternate routes.

While ADOT strives to inform the public about planned freeway restrictions, during any complex construction project, there is a possibility that unscheduled closures or restrictions may occur. Please visit our [Web site](#) for the most current information about planned and ongoing I-17 restrictions.

Here's an overview of scheduled restrictions and closures for Interstate 17 projects:

#### Interstate 17 at Happy Valley Road

Monday, Nov. 3 – Tuesday, Nov. 4

10 p.m. – 5 a.m.

Northbound I-17 will be closed and southbound I-17 will be restricted to one lane overnight at Happy Valley Road from Monday night until Tuesday morning for work on the widening project. Northbound I-17 traffic will be detoured onto the interchange ramps at Happy Valley Road during the closure.

#### Interstate 17 from Carefree Highway to Dove Valley Road

Tuesday, Nov. 4 – Wednesday, Nov. 5

10 p.m. – 5 a.m.

Southbound I-17 will be restricted to one lane from Tuesday night until Wednesday morning from Carefree Highway to Dove Valley Road to set temporary concrete barriers.

### Loop 101 Frontage Road (Agua Fria Freeway) from 27th to 23rd avenues

Wednesday, Nov. 5 – Friday, Nov. 7

9 p.m. – 5 a.m.

Saturday, Nov. 8

1 a.m. – 5 a.m.

The eastbound Loop 101 frontage road (Beardsley Road) will be closed from 27th to 23rd avenues nightly from Wednesday night until the morning of Saturday, Nov. 8, for work on the Loop 101 bridges. Traffic will be detoured south at 27th Avenue, then east on Yorkshire Drive/Utopia Road to 23rd Avenue and north to eastbound Beardsley Road.

*Drivers should anticipate delays and allow extra time, or adjust travel to avoid closures and restrictions. ADOT appreciates your patience as we construct improvements on I-17.*

An audio podcast outlining this week's I-17 Traffic Alert can be downloaded from the [ADOT Web site](#).
